

MINUTES

At a meeting of the Town Development Committee held on MS TEAMS, on Tuesday 23rd June 2020

Present: Councillors: Bazan (Lambrok), Beaver (Lambrok), Bryant (Paxcroft), Fuller (Park), Hill (Grove), Palmen (Central), Piazza (Drynham) and Whiffen (Grove) (Chair).
Public: Cllrs Kirk, King, Hoar, Drewett and Oldrieve; Wiltshire Councillor Trigg and 6 members of the public.
Press: 2
Officers: Lance Allan and Amanda Quick.

5888 **APOLOGIES**

RESOLVED to accept apologies with reasons from councillor Beaver.

5889 **MINUTES**

RESOLVED: To approve as a correct record the Minutes of the Town Development Committee meeting held on Tuesday 10th March 2020.

RESOLVED to approve the records of delegated decisions dated 31st March, 21st April, 12th May, and 2nd June.

5890 **DECLARATIONS OF INTEREST**

Councillor Beaver declared an interest in applications relating to Courtfield House as the agent for the developer. He would make a presentation and answer questions in accordance with the law and Code of Conduct and Standing Orders of Trowbridge Town Council and would then withdraw from the meeting during the committee's discussions and decision making on those applications.

5891 **CHAIR'S ANNOUNCEMENTS**

During the meeting the Chair left the meeting and returned later due to technical reasons and the Deputy Chair took the chair. The Chair announced that the revised application would be considered immediately after the Open Forum but that the following item would be considered first:

5892 **STRATEGIC PLANNING**

RESOLVED: To note the recent communication from Wiltshire Council that they are currently unable to meet the five-year housing land supply and therefore unable to defend against speculative housing applications which are contrary to the adopted plans. The committee then received a report from Councillor Hill on a recent meeting with others to discuss this issue.

RESOLVED: To support Malmesbury and others in seeking a response from Wiltshire Council to matters relating to the lack of a five-year land supply and the significant issues that this could create for the local community.

5893 **OPEN FORUM**

Chris Beaver (Planning Sphere, agent) and Tom Griffiths (Ashford Homes, developer) gave presentation on their revised proposals for the development and refurbishment at Courtfield House. A number of the members of the public including Dr S Farrimond, J Harding and M Jacob made comments and asked questions which were responded to by the presenters.

Cllr Beaver left the meeting

5894 **PLANNING APPLICATIONS - REVISED**

The committee considered any revised applications notified by Wiltshire Council.

Application Number: 18/04656/FUL & 18/05278/LBC

Site Location: Courtfield House, Polebarn Road, Trowbridge, BA14 7EG

Applicant: Ashford Homes

Applicant Address: c/o Planning Sphere, Co Working, BATH

Electoral Division: TROWBRIDGE PARK

Proposal: Conversion of former school principal building to 4 No. dwellings, and associated external works; the erection of 17 No. dwellings and associated works following the demolition of the Polebarn Hall, Pine Hall and external WCs, and partial demolition of the Wool Store; and comprehensive landscaping.

RESOLVED: Objection: The proposed access to the development in the grounds is inadequate for the quantum of houses as well as its current one-way access for the adjacent Court Mills. The proposal does not take adequate account for the ecological value of the grounds and in particular the fruit trees which form an orchard and greater retention of these trees should be incorporated into the proposal. The level of development would be significantly detrimental to character and setting of Courtfield House, a Grade II* listed building. As a result the proposal would be contradictory to the adopted Core Policy 57 of Wiltshire Council.

Cllr Beaver returned to the meeting

5895 **PLANNING APPLICATIONS – NEW**

The meeting considered applications received from the Development Management (West) Dep't. of Wiltshire Council as follows:

Application Number: 20/03641/OUT

Site Location: Land South of White Horse Business Park Trowbridge Wilts

Applicant: Neil Cowley

Applicant Address: 43-45 Devizes Road Swindon SN1 4BG Wiltshire

Electoral Division: SOUTHWICK

Proposal: Outline application for up to 100 dwellings and a care home (Class C2 Use) of up to 64 beds (up to 3,750 m²), as well as vehicular access from the A363. Matters to be considered: Access in to the site.

RESOLVED: Objection: Notwithstanding that this development has failed completely to be planned to be either a part of the town or a part of the village of North Bradley but to all intents and purposes has simply been plonked in the middle of fields between the town and the village, with green space on all aspects, resulting in an extremely poor layout and design which fails to recognise its importance in protecting the coalescence of the town and the village, but also fails to link in to the development at White Horse Business Park and fails to recognise that development of the field to the north has so far not come forward, the town council objects to the proposed access. If this application is for 'Access in to the site' then this should provide for access by means other than motor vehicles and other means which use the carriageway.

Therefore;

1. The application should be refused until full pedestrian and cycle access from the site to Woodmarsh Road is proposed as part of the development on a surfaced route of sufficient width to allow for shared use. This is clearly achievable via the track/field access on to Woodmarsh Road adjacent to number 22 Woodmarsh Road. It is likely that the residents of the development will use schools, public houses, meeting halls and other facilities in North Bradley Village and therefore without such an access the development would not be sustainable.

2. The proposed footway at the junction off the A363 is inadequate. It should be a 3m shared use cycle and footway linking to and through the White Horse Business Park at least as far as Aintree Avenue/Epsom Court where there will be a link into the cycleway along the railway side and to the Trowbridge Retail Park/Spitfire Retail Park to the north.

3. In addition to the proposed Puffin crossing on the A363 eastern arm, there should also be a Puffin crossing on the A363 northern arm, providing opportunities for those wishing to access Boundary Walk, the eastern side of Bradley Road and the Summerdown Walk/Marston Road/ Kingsdown area.

4. Make a contribution towards Bradley Road junction improvements at Spitfire Retail Park, Wiltshire Drive and Silver Street Lane.

Trowbridge Town Council requests that the layout is revised so that this development more clearly links to the envelope of the town or at least to White Horse Business Park and is not planned to be part of a new village somewhere between Trowbridge and North Bradley.
