Subject: FW: Doric Park - Final Report

Dear Councillors,

I have now received the 50-year valuation report for the Doric Park project facilities from our consultants, Carter Jonas, which is attached.

By copy of this email to Parish Borrowing at DLUHC I can confirm that the Town Council has now sent all documents which have been indicated, one way or another, as potentially forming part of the council's application for borrowing approval.

I hope that Parish Borrowing will be able to make a speedy decision on the matter now or confirm any further information or clarification that they require in order to complete their assessment of the application.

Regards

Lance Allan BSc FSLCC
